Re: Notice of File Closure for Small Mining Activities, Smith Bros. #4 & #6, S/021/015, Iron County, Utah

Dear Mr. Smith:

This letter is to notify you that file #S/021/015, for the Smith Bros. #4 & #6 project, located in Iron County, Utah, will be retired from our files.

On June 16, 1995, the BLM notified us that they had performed an inspection of the project and found it involved only casual use activities, and therefore, did not need to be permitted. As this project is located on BLM managed lands and the BLM closed out their case file, the Division will accept the BLM's recommendation and we will also close out our file for this project.

If there are any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your attention in performing the required reclamation on this project.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
